ANTIRUST PA-C(N)
Solvent-diluting cleaning and temporary rust preventive oil

ANTIRUST PA-C(N) is low viscosity rust prevention oil superior in cleaning characteristics with solvent for the temporary rust prevention.

● SPECIAL FEATURES

1. Superior Cleaning Performance
   ANTIRUST PA-C(N) shows superior cleaning performance by the function of carefully selected solvent and rust preventive additives.

2. Low Risk of Fire
   ANTIRUST PA-C(N) has a high flash point although it contains solvents. So it can be used with low risk of fire.

3. Good Removal
   ANTIRUST PA-C(N) can be easily removed by using a petroleum solvent or alkaline process cleaner. In addition, it is relatively superior in heat removal of oil film.

4. Easy to Use
   ANTIRUST PA-C(N) is not sticky because petrolatum is not contained and excellent in the working efficiency. It is expected that quantity of application will be decreased due to thin oil film.

● APPLICATIONS

For steel sheet metal, various processing parts and machine parts

● COATING METHODS

Immiscible, Spraying, Brushing

● CONTAINERS

200-liter drums and 20-liter cans

### Precautions

Follow these precautions when handling this product.

**Composition:** Base Oil, Additives

**Signal word:** Danger

**Hazard Statement:** Combustible liquid
- May be fatal if swallowed and enters airways

**Precautionary Statements:**

#### Prevention
- Do not handle until all safety precautions have been read and understood.
- Wear protective gloves/protective clothing/eye protection/face protection.
- Do not allow the eyes to become exposed to the product. Do not swallow the product.
- Keep away from heat/sparks/open flames/hot surfaces – No smoking.
- Use explosion-proof electrical/ventilating/lighting/equipment.
- Ground/bond container and receiving equipment.
- Wash hands thoroughly after handling.
- Do not eat, drink or smoke when using this product.

#### Response
- **IF SWALLOWED:** Immediately call a POISON CENTER or doctor/physician.
- **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting.
- **IF ON SKIN:** Wash with plenty of soap and water.
- **IF ON SKIN:** Do NOT induce vomiting.
- **In case of fire:** Use suitable extinguishing media for extinction.

#### Storage
- The product must be stored in a cool, well-ventilated location where it will not be exposed to direct sunlight.
- Containers that have been opened must be tightly sealed.
- Store in a well ventilated place. Keep cool.
- Store locked up.

#### Disposal
- Dispose of contents/container in accordance with local/regional/national/international regulations.
- If there are any doubts about proper methods of handling the product, contact the point of purchase before proceeding with usage.
